

## Looking Through These Rooms

--- these words were left taped to an inside wall of an empty house on the day of sale ----

I'm looking through these rooms  
    Where laughter rang  
And sorrow knew, and  
    Also people sang.  
Where more of joy was there  
    Not hurt or need.  
Where fifty years folks dwelt  
    With Christian creed.  
May you who come to  
    Settle in this space  
Absorb the warmth and love  
    That's in this place.
